問4 次の将棋タイトルの五冠を史上最年少で達成した藤井聡太（ふじいそうた）に関する英文記事を読んで、下記の31～35の問いに答えなさい。

Shogi prodigy Sota Fujii took another step Saturday toward his ultimate goal of winning all of the board game's eight major titles by claiming his fifth as the youngest player in history at age 19 and 6 months.

Fujii completed a sweep of 37-year-old Akira Watanabe in the best-of-seven Osho championship with Game 4 victory in Tachikawa, western Tokyo, after entering the series in early January as the challenger.

He broke the previous youngest record held by Yoshiharu Habu, who held five major titles in 1993 at age 22 and 10 months. Watanabe saw the number of his titles go down to two.

Fujii also became only the fourth shogi player to have held five titles simultaneously, following Yasuharu Oyama, Makoto Nakahara and Habu.

"The results have been too good to be true for my ability," Fujii said of having five titles. "I would like to improve my game to deserve that."

Fujii has broken numerous youngest records, turning pro at 14 and 2 months and capturing his first major title, Kisei, in July 2020 at 17 and 11 months.

Asked about his future when Fujii won his third major, Eio, last September, the humble youngster said, "Winning all eight titles is not in my mind, but it would be an ideal state. The most important thing is how strong I can become."

- 問5 次の英文スピーチは、2014年9月20日に行われた国連本部（米国ニューヨーク市）で、イギリスの女優で国連「UN ウィメン」親善大使のエマ・ワトソンが性差別撤廃について訴えたものである。このスピーチの冒頭部分を読んで、下記の36～40の問いに答えなさい。

Today we are launching a campaign called “HeForShe.”

I am reaching out to you because I need your help. We want to end gender inequality—and to do that we need everyone to be involved.

This is the first campaign of its kind at the UN: we want to try and galvanize as many men and boys as (36) to be advocates for gender equality. And we don’t just want to talk about it, but make sure it is tangible.

I was appointed six months ago and the more I have spoken about feminism the more I have realized that fighting for women’s rights has too often become ³⁷⁾synonymous with man-hating. If there is one thing I know for certain, it is that this has to stop.

For the record, feminism by definition is: “The belief that men and women should have equal (38) and opportunities. It is the theory of the political, economic and social equality of the sexes.”

I started questioning gender-based assumptions a long time ago when at eight I was confused at being called “bossy,” because I wanted to direct the plays we would put on for our parents—but the boys were not.

When at 14 I started being sexualized by certain elements of the press.

When at 15 my girlfriends started (39) out of their sports teams because they didn’t want to appear “muscly.”

When at 18 my male friends were unable to express their feelings.

I decided I was a feminist and this seemed uncomplicated to me. But my recent research has (40) me that feminism has become an unpopular word.
